

Exit ticket & next-lesson action planner

Grade / Learning area: _____ Teaching date: _____

Verified learning competency / source: _____

Today's observable objective: _____

Draft three questions that provide evidence of ONE objective. Use anonymous response counts, not learner names or IDs.

Part A — Design the 3-question exit ticket

No.	Prompt / task (teacher writes)	Expected evidence / misconception
1 · Check		
2 · Apply		
3 · Explain		

Part B — Read anonymous response patterns

Category (teacher-defined)	Count	Observed misconception or evidence
Ready for extension		
Needs a brief clarification		
Needs targeted reteaching		

Part C — Plan tomorrow's action

Clarification / model	Guided practice	Extension / recheck

Illustrative example: 2°C falls by 5°C → -3°C. A parallel recheck might be 4°C falls by 7°C → -3°C. Verify the lesson target and answer keys before use. This is not a required DepEd form.
